Garnet-T

QUADRA-FIRE
NOTHING BURNS LIKE A QUAD

Don't let its size fool you—the Garnet-T is a champion. It's a little heater with a big heart. A diminutive footprint and impressive design features combine to make this smallest member of the Quadra-Fire family perfect for the bedroom, den or dining room. The Garnet-T is designed to be both attractive and economical, devoted to the zone heating concept - heat the space you're in, not the entire house.

TrueGlow Burner

The TrueGlow Burner, an exclusive from Quadra-Fire, sets a new standard for realism. The ceramic burner is molded from real wood pieces and coals. Flames rise from gas ports distributed throughout the glowing coal bed and lower logs, producing an incredibly active and varied fire. No need to hide the burner anymore—the TrueGlow burner proudly takes center stage, with an appearance that is phenomenal, whether it's burning or not.

Quadra-Fire offers a Limited Lifetime Warranty on our gas heating appliances to the original purchaser for the lifetime of the appliance, to be free from defects in material and workmanship. See your authorized Quadra-Fire dealer for details.
